# VOCABULARY

What items are in the suitcase? Where is the person traveling?

# VOCABULARY

## What to bring

**Which items in the suitcase are essential for a trip? Which items are not?**

- |              |                |
|--------------|----------------|
| • a camera   | • a map        |
| • pants      | • sandals      |
| • shirts     | • shorts       |
| • sunglasses | • tennis shoes |

Tennis shoes are essential.  
What if it rains or you go on a hike? You can't wear sandals.

# SPEAKING

## Research and decide

Where do you want to travel? Form groups and decide.

# SPEAKING

## What to bring

**Finish deciding about your trip in groups.**

- 1 What ten items are you going to bring with you on your trip?
- 2 Which items are essential? Not essential? Special?

### USEFUL LANGUAGE

I think we should bring... because...

I don't think we need to bring... because...

This item is special to me because...

# SPEAKING

## Present your trip

### Presenters:

Tell your audience about the destination and the items your group chose to take with you.

### USEFUL LANGUAGE

We chose... because...

We also chose...

### Listeners:

Listen and take notes. Ask follow-up questions about the items the group has chosen to take.

### USEFUL LANGUAGE

Why did you choose... instead of...?

What about...?

# SPEAKING

## Essential items

What items are essential to take to any country you visit? Why? Agree on five items.

I think comfortable tennis shoes are an essential item.

Yes, but I think a phone is more essential. You'll need the Internet to travel and know where to go.

What about a map? You won't always have the Internet everywhere.

# PROGRESS CHECK

**Now I can...**

- discuss things to take when you travel
